

The way to climb a mountain is one step at a time.

5 STEPS TO Raise \$100 IN JUST 5 DAYS

DAY 1

MAKE IT PERSONAL

Reach out and show your friends how passionate you are by the mission of Recovery Beyond and be the first to donate to your fundraising campaign.

\$10

Tip: Let people know that a gift to Recovery Beyond lasts longer than the novelty item from Amazon in their shopping cart.

DAY 2

CONNECT YOUR COMMUNITY & YOUR CAUSE

Touch base with 4 members of your community, friends, family, friends of your family, and ask them to donate \$5 — you've just raised \$20 for your fundraising campaign.

\$30

Tip: Remind people that you're asking for 2 cups of coffee and their favorite barista would surely approve of their donation.

DAY 3

LET'S GET A LITTLE BIT OF HELP FROM YOUR FRIENDS

Ask 5 of your closest friends to donate \$5 to Recovery Beyond. BAM — you've just raised another \$25.

\$55

Tip: These are your close friends, they know your story. Remind them why Recovery Beyond is so important to you. We promise they'll give.

DAY 4

LET'S HEAD TO WORK!

Ask 2 businesses you frequent (coffee shops, taco spots, convenience stores, dry cleaners, etc.) to contribute \$10 each to Recovery Beyond.

\$75

Tip: Most businesses are interested in supporting their community (and their image). Be sure to mention the perks of giving when asking for a donation.

DAY 5

BE AN INFLUENCER

Post a link to your fundraising campaign on Facebook, Instagram, Twitter, etc. and let people know that no donation is too small. If just 5 people donate only \$5, you'll reach your goal of raising \$100 for Recovery Beyond.

\$100

Tip: Make sure to thank every person that donates to your fundraising campaign. When people see others do good, they want to do good too. Pass it on!

BONUS

SHARE THE LOVE!

Did you get a "super donor" or did someone seem passionate? Reach out and encourage them to start their own fundraising campaign. Just send them to recoverybp.org/fundraise.
